Important

Due to the large size of this product, it is recommended that you get an additional helper for assembly.

Installation

The AXI Playhouse is designed to create an exciting, fun-filled play environment for your children. So that all children who use the AXI Playhouse can play safely, we ask that the adults who supervise play around the AXI Playhouse follow these important guidelines for the unit's use and care:

1. Place the unit on level ground, at least 1,80 m. (6 Ft.) from any structure or obstruction such as a fence, garage, house, overhanging branches, laundry lines or electrical lines.
2. Do not allow children to climb and play on the roof of the AXI Playhouse.
3. Do not install the AXI Playhouse over concrete, asphalt, packed earth, or any other hard surface. A fall from the unit can result serious injury.
4. The AXI Playhouse is designed to accommodate 2 children and an adult comfortably while more children can be accommodated it is not suggested for safety purposes.
5. Check all connections and screws twice monthly during usage season and at the beginning of each season for tightness, and tighten as required.
